#### NOTE FROM BARBARA, BOARD VICE-PRESIDENT, FRIENDS OF THE LAKESHORE LIBRARY

I have been a member of the Friends of the Library for approximately 18 years. I have met so many very nice people that I would never have met without joining the friends. The friends furnish the library with books, DVDs, audio books, e-books and a great patron computer network.

There are so many interesting programs presented by guest speakers. The Friends help to support these activities. Additionally, there are exercise, quilting, craft, and game day groups available to participate in. There's usually a jigsaw puzzle that folks can work on.

We are almost through our membership drive that will end on March 12 with a luncheon for all Friends members. Please consider becoming a Friends member and join in this very satisfying endeavor.

Sincerely,  
Barbara Barnes

#### AUTHOR LAURIE JAMESON

Monday, April 6th at 2:30 PM

Meet writer Laurie Jameson, and enjoy refreshments and a reading from Laurie's latest book. *Six Days in the Desert*, *In-the-Moment Poetry* evolved from a camping trip taken to Pancho Villa State Park in Columbus, NM, in 2016. Insights garnered at the time of the experience were captured in brief free-verse lyrical poems that were never altered after their initial writing. Laurie is the award-winning author of numerous other collections of poetry under the name Laurie Wagner Buyer, including *Glass-eyed Paint in the Rain*, *Red Colt Canyon*, *Across the High Divide*, *Infinite Possibilities: A haiku journal*, *Accidental Voices*, and *Reluctant Traveler*. She lives and writes from Casita de Luz in Llano, Texas.
