

Llano County Public Property

Electioneering Rules

Political signs supporting a candidate for office or a proposition may only be displayed from 6:00 P.M. on the day before the first day of the early voting period until 9:00 A.M. on the Friday following Election Day and a maximum of two (2) temporary political signs for each candidate, measure or political party may be placed within the designated electioneering area, as appropriately marked with election distance markers, of the early voting or voting polling place building's premises which is outside the prohibited area. At the end of the display period, such signs shall be removed by the person or organization placing them. If not removed, signs will be removed by the County.

Political signs cannot have an effective area greater than six (6) square feet (2'x3'); be more than three (3) feet high; be illuminated; or have any moving elements including banners, ribbons, etc. Political signs that are not in compliance with electioneering rules will be removed by County Staff.
