# PREFACE

Final adoption of the County's annual operating budget is the result of many hours of deliberation and input from a variety of sources. Providing a workable and balanced plan of operations is difficult to achieve given limited resources. In order to accomplish this monumental task important prioritization of needs must be established and reviewed.

## THE BUDGET PROCESS

Arriving at the financial plan of operations for the 2020-2021 fiscal year involves numerous steps. The County Judge with assistance of the County Auditor directs each county official and department head to develop budget requests in May for the budget year beginning October 1 of the following fiscal year. A proposed budget is filed by the County Judge and then submitted to the Commissioners' Court for review and evaluation. During the months of May, June, July several budget workshops are conducted to allow input from each official and/or department head regarding his budget requests. Citizens of Llano County are encouraged to attend and offer their suggestions and ideas of what programs they would like included in the upcoming budget.

Once the proposed budget has been reviewed it is compared to the estimated 2020-2021 revenues submitted by the County Auditor. These projected revenues, when added to the projected beginning Fund Balances, give the Commissioners Court an idea of the financing sources available.

Budget workshops are reconvened to re-evaluate the proposed expenditures and revenues. In many cases it may be necessary to raise taxes in order to finance expenditures. Raising taxes is the least favorable option and exercised only when unavoidable.

Once these public hearings and workshops are complete, the budget is finalized and ready for adoption. The budget is then put on the Commissioners' Court agenda and a vote taken by the Court. Upon adoption, the budget becomes effective October 1.

## AMENDING THE BUDGET

As the fiscal year progresses, situations may sometimes arise that were not anticipated and have fiscal impact to the budget. In these instances, the budget may, by declaration of an emergency by Commissioners' Court, be amended from unreserved funds. One contingent liability very hard for the Court to predict is the cost of Indigent Health Care. If IHC expenditures exceed the budgeted figures, a budget amendment would be necessary due to the state mandated liability to the County. Other uncontrollable costs would be Inmate Medical and Court Appointed Attorney fees.

## ABOUT THE BUDGET DOCUMENT

This budget document serves to communicate the County's financial condition, plan of operations and what it hopes to achieve for its citizens. Realizing that several diverse groups of people rely on the budget for many reasons, the document has been organized to assist the user in locating information easily.

Out of necessity, the budget document must summarize and condense a substantial amount of information in order to avoid a cumbersome document. However, there are times that more detailed information may be needed or further explanation required. In these instances, citizens and users may contact the County Auditor's office to have their questions answered.

**LLANO COUNTY ADOPTED BUDGET FY 2021  
COUNTY AUDITOR'S FOOTNOTES**

Judge Ron Cunningham collected budget request from all departments in May. Considering all requests and overall County needs, Judge Cunningham presented a proposal to Commissioners' that did not include a tax increase. Budget workshops were held by the Commissioners' Court to put together a combined proposal. On September 14th the Commissioners' Court held a Public Hearing on their budget to address public concerns and consider internal adjustments. After the hearing, the Commissioners' Court unanimously agreed to adopted a budget with no tax increase. The adopted expenditures of \$17,422,200 exceed estimated revenues. Reserve funds will be used to offset the difference leaving sufficient reserves to comply with the County's fund balance policy. The paragraphs below outline pressing issues considered in developing this financial document.

In March of 2020 the Nation was hit with an unexpected calamity known as the Covid-19 pandemic. Out of precaution for Public Health and Safety a state wide stay at home order was issued by the Governor. Llano County was forced to deal with the financial effects of a major economic disruption. One trickledown effect was a temporary shutdown in all County and District wide operations including the Court System. Other than property taxes, revenues from Court operations are a significant source of County funding. At the time of this budget adoption, court operations were still limited and fine collections were below previous estimates. Businesses in the community are not able to function at full capacity thereby interrupting sales tax revenue as well. These ongoing factors made it very difficult to estimate what the County revenue stream would be for the upcoming fiscal year. On the plus side, due to diligent efforts by the Treasurer's Office, our Road & Bridge Department and the FEMA flood relief program, we were able to recoup a major portion of our losses from the October 2018 flood event. Their efforts combined with conservative spending on the part of all County Officials provided the Commissioners with confidence that the County would have sufficient reserves to cover revenue shortfalls in this budget cycle.

Concerns over the closing of the local hospital and the future EMS Services in the County were additional Public Health and Safety matters that needed attention. Currently prospects for solutions were still under consideration. Commissioners also addressed peace officer salaries and made additional adjustment. Looking forward, all eyes will be on the State Legislature. The prior session created Senate Bill 2 that limited the County's ability to increase property tax revenue yet fell short in addressing unfunded mandates. In the upcoming session the effects of Covid-19 will leave the State of Texas in the same revenue flow deficit that the County faced in this budget process. Hopes are that the State shortfall will not lead to an increase in unfunded mandates and further restrictions on the County's ability to maintain the current level of public services.

In this document the beginning fund balances and revenue estimates were provided by the County Auditor. These Estimates are based on Commissioners' Court's financial policies and practices as well as the Tax Assessor Collector's certification of the property tax collection rates. Negative financial effects from Covid-19 on our community and the global economy were also taken into consideration. The County's Annual Financial Report (CAFR) comprised of a year-end financial review by an independent auditing firm will provide the Commissioners' Court the insight necessary to adjust spending in the current budget year if there is a significant revenue shortfall. It also provides Commissioners with a tool to set priorities for the next budget cycle.

Federal laws, State statutes, County policy and governmental financial guidelines are the keys to Llano County's financial stability. This budget, adopted in accordance with State Law, provides the mechanism for financing the day to day operations of the County. It is a means to encourage our Elected Officials to protect our County assets, maintain our financial strength and uphold the public trust. It also provides financial transparency by detailing Llano County Commissioners' Court's official record of how our public funds will be utilized in Fiscal Year 2021.

Cindy J. Lent, Llano County Auditor
