Information on COVID Vaccinations

We are excited to announce that we are getting closer to being able to start administering the Covid Vaccinations. We will start off with the Phase 1A and 1B individuals.

Phase 1A: If you are a healthcare worker, contact your employer. If you are a long-term care resident, contact your caretaker.

Phase 1B: Contact *your healthcare provider* to see if they are enrolled to give the vaccine. Texas Phase 1B Vaccine Priorities • People 65 years of age and older • People 16 years of age and older with at least one chronic medical condition that puts them at increased risk for severe illness from the virus that causes COVID-19, such as but not limited to: • Cancer • Chronic kidney disease • COPD (chronic obstructive pulmonary disease) • Heart conditions, such as heart failure, coronary artery disease or cardiomyopathies • Solid organ transplantation • Obesity and severe obesity (body mass index of 30 kg/m² or higher) • Pregnancy • Sickle cell disease • Type 2 diabetes mellitus

Due to the limited/unknown supply of the vaccine please let us know why you are wanting to be vaccinated. If you are interested in receiving the Covid vaccine, please visit: <https://bit.ly/3be5ymN> to be placed on the vaccine waiting list or you can email vaccine@hillcountrydirectcare.com for more information. Our goal is to get everyone vaccinated who so desires. This process may take some time, so please be patient. Thank you!
