

Rebuilding your home after the storm?

SAVE YOURSELF TIME AND MONEY!

Please read the following information:

If your home or business has been affected by the 2018 flood, you must contact the Llano County Permitting & Emergency Management Department for required building permits. There are no fees for permits issued due to damage from the 2018 flood.

Here's information YOU need to know about the "50% Rule"

SUBSTANTIAL DAMAGE means damage of any origin sustained by a structure whereby the cost of restoring the structure to it's before damaged condition would equal or exceed 50 percent of the market value of the structure before the damage occurred.

Llano County, following the National Flood Insurance Program requirements, has the responsibility to determine "substantial damage". If your home or business sustained structural and/or interior damage, these regulations may affect how you rebuild.

Please contact the Llano County Permitting & Emergency Management Department at 325-247-2039, floodadmin@co.llano.tx.us or 100 W Sandstone St, Llano, TX 78643 for more information.
