

Dear Llano County Hotel Occupancy Tax Grant Applicant,

Thank you for your interest in promoting Llano County tourism. The County of Llano collects a 4% Hotel Occupancy Tax (HOT) from lodging properties located in the unincorporated areas of Llano County. Rules for how county HOT revenues may be expended are set by the Texas Legislature under Chapters 351 and 352 of the Texas Tax Code.

According to state law, the use of HOT revenue is limited to expenditures that meet the following criteria:

- 1) Every expenditure must directly enhance and promote tourism and the hotel industry in unincorporated areas of Llano County. In other words, the expenditure must attract visitors who will spend the night in a lodging property located in unincorporated Llano County ("unincorporated lodging properties"). If the expenditure is not reasonably likely to accomplish this result, it cannot be funded by Llano County HOT revenues.
- 2) Expenditures must clearly fit into one of seven statutory categories as follows:
  - a) Funding the establishment, improvement or maintenance of a convention center or visitor information center.
  - b) Paying the administrative cost of facilitating convention registration.
  - c) Paying for tourism related advertising and promotion to attract tourists to spend the night at unincorporated lodging properties in Llano County.
  - d) Funding programs that enhance the arts, provided the funded arts activity directly impacts economic activity at unincorporated lodging properties in Llano County.
  - e) Funding historical restoration or preservation programs provided the restored or preserved historical site or attraction is visited by guests of unincorporated lodging properties in Llano County.
  - f) Funding sporting events in which most of the participants are tourists and in which the sporting event generates substantial economic activity at unincorporated lodging properties in Llano County.
  - g) Wayfinding signage directing tourists to sites and attractions visited by hotel guests.

Additionally, Llano County has set forth rules governing how HOT revenue grants will be approved for funding, and reporting requirements for funded entities.

Other forms required for Llano County HOT grant consideration which include:

- 1) Llano County HOT Rules governing your application
- 2) Llano County Grant Application

Funding for all events and/or marketing plans are considered on a case-by-case basis by Llano County Commissioners Court. Please note that state law requires that grant awards will be based on tourism impact for Llano County and the amount of funds available during the grant period in which it is requested.

- 1) The applicant must present reasonable evidence that the expenditure or event will enhance and promote economic activity at unincorporated lodging properties in Llano County.
- 2) For any applicant applying for HOT funds to advertise an event, it is required that these HOT funds focus on targeting visitors and guests staying at unincorporated lodging properties. Additionally, the applicant shall provide relevant event information to Llano County's designated tourism marketing entity, as directed by the Commissioners Court and County Treasurer.
- 3) Expenditure of HOT grant funds for unauthorized purposes may result in recapture of funding.
