

Llano County Request for Proposal For Inmate Medical Coverage Questions and Response

QUESTION: I was trying to obtain official bid documents for the opportunity titled "Inmate Medical Services", but the only document on your website is the notice. Are these documents listed elsewhere, or can they be sent to me at your earliest convenience?

RESPONSE: The documents can be downloaded from the website. Other portions of the response are to be developed by the proposer.

Please confirm the anticipated contract start date.

RESPONSE: As soon as possible

QUESTION: TX Jail Standards requires history and physicals to be done within 7 days. The County's RFP indicates these are to be done within 2 days. Please indicate if the County would consider a 7 day timeline, and if not, the expectation would be to have on-site staffing services 7 days per week?

RESPONSE: Inmate physical history is taken at time of booking. 2 days should be plenty of time

QUESTION: Please indicate how an inmate requests medical services currently.

RESPONSE: Medical request form or officer visual

QUESTION: Please confirm any inmate co-pay charges for medical services.

RESPONSE: None at this time. In future excess commissary fund for inmate will be used for medical

QUESTION: Please indicate any anticipated staffing coverage the county would like the Vendor to bid upon, to include the Medical Director hours.

RESPONSE: Nurses on duty approximately 20 hours per week

QUESTION: Please confirm any contractual arrangements the County may have with the local hospital and ambulance services currently.

RESPONSE: Hamilton EMS services and services with Med-Co

QUESTION: Please confirm the availability of wi-fi services within the jail for use by the medical provider(s).

RESPONSE: VYVE Need line for med room which can be installed by maintenance

QUESTION: Please indicate if the County currently has medical staff performing services on-site, and if yes, what services.

RESPONSE: Yes. Local physician comes in once a week for inmate sick call. He performs routine exams according to complaints and medical requests. The local pharmacy provides inmate prescriptions.
